ISPEC Journal of Agricultural Sciences, published by Institute of Economic Development and Social Research, applies a Creative Commons Atıf-GayriTicari 4.0 Uluslararası (CC BY-NC 4.0) to the articles and other works we publish.

Therefore, on behalf of all authors of this submitted manuscript, as the corresponding author, I warrant the following states;

a) Authors retain copyright in their articles. However, by submitting their work for publication in ISPEC Journal of Agricultural Sciences, the authors agree to the application of the CC BY-NC 4.0 license to their work.

b) Under this license, you, as the author, agree that anyone can reuse the article, in whole or in part, for any purpose, free of charge, or even for commercial purposes. Anyone may copy, distribute or reuse the content as long as the author and the original source are properly cited.

c) In addition, when submitting your article for publication in ISPEC Journal of Agricultural Sciences, the authors allow minor editorial changes to fit the journal format, to print the article in the ISPEC Journal of Agricultural Sciences (E-ISSN: 2717-7238), to send it for indexing, to make the full text of the article available online through ISPEC Journal of Agricultural Sciences and Journal websites, and to promote the article.

d) If information or content from other copyrighted works is included (e.g. photos, images, figures, tables, proprietary protocols, code, etc.), the author(s) must a) obtain written permission from the copyright owners to use it and publish it under the CC BY-NC 4.0 licence, and b) credit the source(s) in the article.

e) If the author does not have owner permission, the material should not be included in the submitted paper or it can be replaced with other content owned by the author or which they have permission to use. All ISPEC Journal of Agricultural Sciences authors are responsible to ascertain what rights they have to use the contents they include in their manuscript.

f) The ISPEC Journal of Agricultural Sciences reserves the right to remove any content from any article, whether before or after publication if concerns are raised about copyright, license, or permissions and the authors are unable to provide documentation confirming that appropriate permissions were obtained for publication of the content in question under a CC BY-NC 4.0 license.

Repositories

Authors are allowed to deposit their articles in an institutional or other repository. However, if the repository has stated licensing policies, the policies should not be more restrictive than the Creative Commons Attribution 4.0 International License (CC BY-NC 4.0).
